

If you/ newborn baby receive prenatal health examinations/ neonatal hearing checkup at a maternity or a medical facility outside Metropolitan Tokyo, a portion of your fees will be subsidized.

1. Outline of system

Prenatal Health Examination Coupons, Prenatal Ultrasound Examination Coupons, Prenatal Cervical Cancer Examination Coupons or Neonatal Hearing Checkup coupon (hereafter, Coupons) may only be used at medical facilities designated to carry out prenatal health examinations or neonatal hearing checkup in Metropolitan Tokyo. Therefore, **if you/ baby receive examinations/ hearing checkup at a medical facility outside Metropolitan Tokyo or a maternity center (inside or outside Tokyo)** the Coupons are invalid, and you are responsible for the entire fee. This subsidy covers part of that fee. **(To be eligible: You must receive examinations after the date of Coupons issuance and must be a Minato City resident at the time you/ baby received the examinations/ hearing test. Neonatal hearing checkup must be received within 50 days of delivery. Prenatal health examinations/ neonatal hearing checkup received overseas are not subsidized.**

2. Amount of subsidy

The amounts shown below (equivalent to the publicly funded portion of the fees charged for a prenatal health examinations/ neonatal hearing checkup at a designated medical facility in Metropolitan Tokyo when using the Coupons) will be considered the maximum amounts of the subsidy corresponding to the number of unused coupons submitted/ returned. If the fee paid is less than the maximum shown, the amount actually paid will be considered the amount of the subsidy. In principle, only the items described on the Coupons are eligible for the subsidy and only the examination items you paid for during those visits that are not covered by public funding are eligible for the subsidy (for maternity centers, only the 2nd–14th visits are eligible).
