

Minami-Azabu 3-chome Site News

In this News, we will inform you of the latest information about Minami Azabu 3-Chome Provisional Nursing Facility site.

The briefing session on the development plan (draft) will be held in September.

Minato City will be constructed the group home for people with disabilities on this site. We are currently formulating the basic concept and planning of the development plan that will consider the rooms needed for the facility, the basic policy, disaster prevention measures, energy-saving plan, etc.

We plan to hold a briefing session on the development plan (draft) and call public comment - opinions on plans - **September to October 2024.**

We will reflect your opinions and complete the development plan. The schedule of briefing sessions, etc. will be announced on the Minato City website.
