Time required **3.8** hours Travel time **37** minutes Total travel distance **3.4** km

Break

A-1 Kyu-Shiba-Rikyu Gardens

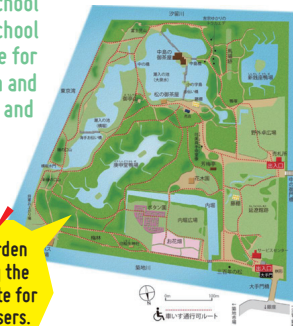

A gorgeous stone arrangement reflects the artistic sensibility of the Edo period

This is a well-known garden worth seeing as a form of art appreciation. It has been designated as one of the "scenic beauties" of the country*.
*A garden known for its good scenery

☎03-3434-4029 🕒 9:00-17:00 (16:30 Gate Closed) Admission : General JPY150 / Over 65 JPY70 / Free Elementary school students and under & junior high school students who live or study in Tokyo) Free for persons with Disability Certificate, Health and Welfare Certificate, Nursing Certificate, and accompanying person

POINT! There is a garden map outlining the suggested route for wheelchair users.

After strolling the park, relax on a bench to take in the scenery.

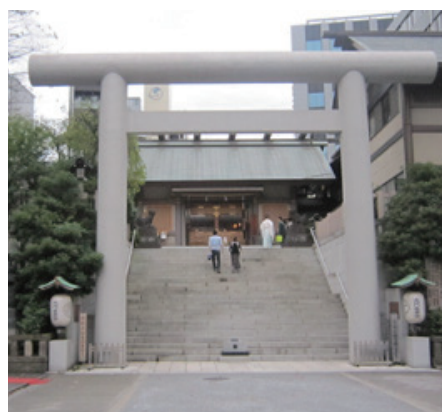

A-2 Shiba-daijingu Shrine (great shrine)

'Chigibako', popular for women, is recommended

Popular in Shiba-daijingu (great shrine), 'Chigibako' is said to be a lucky charm for women to have a happy life with plenty of clothing (1,000 kimonos), and to be blessed with good matches.

☎03-3431-4802

A-3 Zojo-ji Temple

Majestic temple located in the centre of Tokyo

You can enjoy a long walk through the large garden with a sense of freedom. The scenery of the Tokyo Tower rising behind the main hall makes it the best photo spot. There is a tomb of Tokugawa Shogunate inside.

Course Feature

There is a slope around Tokyo tower, but it is a relatively flat route.

A-4 Tokyo Tower

Japan's foremost tourist attraction

The soaring, 333 m tall symbol of Tokyo. This radio tower, with its observation deck, was completed in 1958. Tower lights change depending on the season, with cool lights in summer and warm motifs in winter.

☎03-3433-5111 🕒 Main deck: 9:00-23:00 (last entry 22:30). Top deck: 9:00-22:45 (last tour 22:15) *Operating hours are subject to change and may vary by store or facility. Admission: Main deck: JPY1,200 (adult). Top deck tours: JPY3,000 (adult). Observation deck entry half price for disabled visitors and 1 (Total 2 persons) accompanying attendant on presentation of disability certificate.

POINT! There is a steep uphill in front of Tokyo tower. *Must be accompanied by a helper.

Night view of Tokyo Tower
The radiant lights color the night of Tokyo.
