

A course of historical and traditional Azabu sights

Time required **2.2 hours** Travel time **32 minutes** Total travel distance **2.2 km**

1 Patio-Juban and Statue of Kimi-chan

Statue of a girl watching over Azabu-Juban

There is a statue of a girl in the square 'Patio-Juban', called 'kimi-chan' who was the model of a children's song 'Red Shoes'. She is said to be watching over parents and children in the town.

2 Azabu-juban Shopping District

A joyful and relaxing town full of smiles

There are many traditional and long-established stores with more than 100 years of history, yet it is also an international shopping district. It exudes an atmosphere of nostalgia. With the cooperation of the 12 embassies, 'smile monuments' created based on the theme of "endearing smiles" are scattered around the town. You can also explore the arts in this town.
