

Nightscape of Toranomon

A nightscape seen from the deck of the World Trade Center Building (Hamamatsucho)

Nightscape around Roppongi Hills, seen from Tokyo Tower

Toranomon Hills

Seen from below, this skyscraper itself is a lovely source of light. If you have an opportunity to stay on the 47th floor or above, or go to restaurants on the 51st floor and above, you can enjoy the fabulous Tokyo nightscape. 📍1-23-1 through 4, Toranomon

Rainbow Promenade (Rainbow Bridge) (a night view of Japan)

Whether you cross this bridge on foot from its Shibaura side or Daiba side, it takes 20-30 minutes to walk across the whole bridge, which is around 1.7 km in length. A night walk over the bridge lets you enjoy the nightscape of Tokyo Bay to your heart's content. 📍3-33 Kaigan, 1-4 Daiba 📞03-5463-0224 (Port Road Management Division, the Bureau of Port and Harbor, Tokyo Metropolitan Government) 🕒Open to pedestrians April to October: 9:00 a.m to 9:00 p.m / November to March: 10:00 a.m to 6:00 p.m * Last admission is half an hour before closing. *The whole bridge is sloped. Visitors in wheelchairs will require an attendant to help push their chairs. 🚫3rd Monday of the month. If the Monday falls on a national holiday, closed on the following weekday *Closed on windy days.

Fuji Television

Inside Hachitama, the "big ball" observation deck 100 m above the ground, you can enjoy a 270-degree panorama view of Tokyo's nightscape, which covers Rainbow Bridge and many other landmarks. 📍2-4-8, Daiba 📞03-5531-1111 (Audience Center) 🎫Adults ¥500, elementary and junior high school students ¥300 🚫Every Monday (If Monday falls on a national holiday, closed on the following day)

World Trade Center Building, Hamamatsucho (a night view of Japan)

This building has a 152m high observatory named "Seaside Top" with a 200m panoramic view on the 40th floor. Viewable nightscapes from this observatory include Tokyo Tower, Roppongi Hills, and the waterfront of the Bay Area.

📍2-4-1, Hamamatsucho 📞03-3435-6026 🎫Adults ¥620, elementary and junior high school students ¥360, children ¥260 🚫December 30, 31, and Corresponds to the days when the whole building is closed

Odaiba Marine Park (a night view of Japan)

A night view with the fantastic Rainbow Bridge and Tokyo Tower can be enjoyed from the seashore.

📍1-4, Daiba 📞03-5531-0852 (Odaiba Marine Park Office, Tokyo Port Terminal Corporation)

Tokyo Tower (a night view of Japan)

Viewed outside from the ground, this 333m-tall tower's illumination is quite a sight. You can climb up inside it to the Main deck (150m above the ground) and to the Top deck (250m), to enjoy the grandeur of Tokyo's nightscape.

📍4-2-8, Shibakoen 📞03-3433-5111 🎫Listed on page 5 "Tokyo Tower" 🚫Open 365 days / year.

Roppongi Hills (a night view of Japan)

This skyscraper has two places for nightscape observation. Tokyo City View, on the 52nd floor, is surrounded 360 degrees by glass walls, while Sky Deck is even higher. Whichever you are in, you are sure to appreciate the countless jewels scattered all over Tokyo during the night.

📍6-10-1, Roppongi1 📞03-6406-6652 🎫Listed on page 16 "Tokyo City View, Roppongi Hills" 🚫Open 365 days/year *Sky Deck alone can be closed without prior notice in bad weather.

Takahama Canal Side Green Space

This promenade, approximately 2.5 km in length, is built along Takahama Canal. This is where the fantastic lights of Tennozu Isle are reflected by the canal's water to create a dreamy atmosphere.

📍4-5, Konan

Takeshiba-futo Park

This park is integrated with Takeshiba Pier for passenger boats. Its boardwalk leads you to Takeshiba Pier. This is a recommended spot, where the gorgeous nightscape covers Rainbow Bridge, TOKYO WATER FRONT CITY, and much more.

📍1, Kaigan 📞03-3432-8081 (Takeshiba Passenger Ship Terminal)

Daiba Park

Climb up the bank, and there is a whole nightscape of Tokyo Port for you to enjoy, with Rainbow Bridge closeby. Also, countless boats and ships go under the bridge. You will never get bored!

📍Entire neighborhood of 1, Daiba 📞03-5500-2455 (Shiokaze Park Office)

A panoramic night view from the deck of Fuji Television
