In this News, we will inform you of the latest information about Minami Azabu 3-Chome the construction of the group nursing home for disabled persons and facility for disabled children..

**The contractors responsible for the design and construction of the (tentative name) Minato City Group Home for Persons with Disabilities Minami-Azabu have been officially appointed.**

The Goda/Sanwa/Secom Eng/Sowa-giken joint construction venture has been appointed as the contractor responsible for the design, demolition, and construction of the (tentative name) Minato City Group Home for Persons with Disabilities Minami-Azabu, which is planned to be built on the site of the former Minami-Azabu 3-Chome Nursery. The demolition and construction work is scheduled to commence in January 2027.

We will continue to advance the project with the goal of creating a better facility by seeking input from local residents through opportunities such as interim reports on the basic design and pre-construction briefings. We greatly appreciate your continued understanding and cooperation.

**Should you have any questions or concerns, please contact the Welfare Facility Establishment Subsection.**

We are planning to host lectures and other public events aimed at promoting greater understanding of welfare services for persons with disabilities among local residents. Details, including the schedule, will be announced in due course.

Should you have any concerns or inquiries regarding the planned group home for persons with disabilities, we encourage you to reach out to us at your convenience.
