

Minami-Azabu 3-chome Site News

This newsletter provides the latest information on the construction of a group home for persons with disabilities and a support facility for children with disabilities in Minami-Azabu 3-Chome.

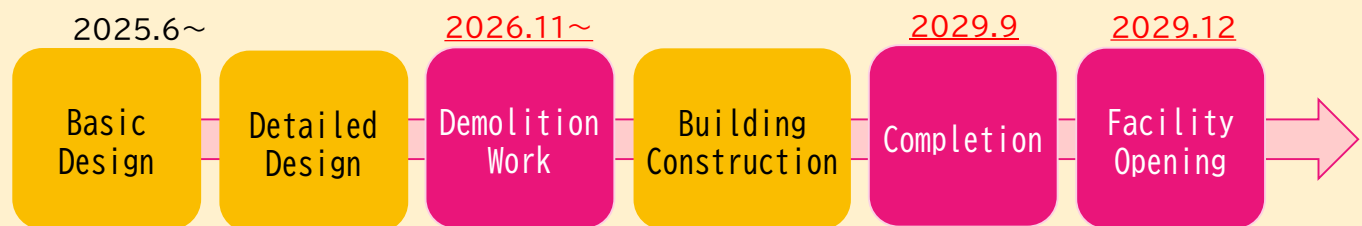

Change to the opening schedule of the (Tentatively Named) Minato City Minami-Azabu Group Home for Persons with Disabilities

- Asbestos has been found in the exterior walls and other parts of the existing building.
- The start of demolition work will be brought forward by two months, and completion and the facility's opening postponed by three months.

<Previous schedule>

<Revised schedule>

Demolition Work Scheduled to Begin in November 2026

- Ahead of building the new facility, demolition of the existing building is scheduled to begin in November 2026.
- During asbestos removal work, thorough measures will be taken to prevent the release of asbestos fibers and to ensure the work is carried out safely.
- Further details will be announced before demolition work begins.
