- 2

Do not use an erasable ballpoint pen or pencil to fill in the form.
- 3

The applicant (parent/guardian) box must be signed.
- 4

Write in the address that you are registered for (if the address on your residence registration is different from your current address, please write your current address.)
- 5

In the Family status box, write the names of all family members and relatives living with you in the same household as of April 1, 2025. Include anyone living alone for work or spouse living separately who shares household expenses with you.
- 6

You will be notified by post of the results of the review, but please keep a copy of your application.
- 7

As cash payments are not possible, please provide your bank account for transfer. Correctly write the name of the account. Take care, as any mistake in the account details may result in late payments.

If you wish to designate a Japan Post Bank account, check the dedicated branch, branch number and account number for transfers, found in the bank use only box at the bottom of your passbook page. Visit a Japan Post bank branch for further details.
