

Minato City Pupils' Clubs in FY2026 : Dates and times of enrollment information sessions (planned)

*More details about the times and venues will be sent with the notification confirming use of the club at the end of February.
Please understand that this information will be given right before the enrollment information session.
* New members should attend the information sessions for those who are enrolling in that Pupils' Club for the first time.
*Continuing members should attend the information sessions for those enrolling in that Pupils' Club as a continuing member.
* Joint sessions are information sessions that take place simultaneously for new members and continuing members.

For en masse applications only
(if you are enrolling on a rolling basis,
you will be given information
individually)
