Minato City Smoking Rules

Article 9 of the Minato City's Ordinance to Promote Environmental Beautification and Prevent Passive Smoking and the Prevention of Nuisances Caused by Smoking

Rules to be followed by everyone in all areas of the City

- In outdoor public areas (roads, parks, public open spaces, etc.)
- Littering of cigarette butts is prohibited.
 - Smoking is prohibited. (Except for designated smoking spaces)
- When smoking on private property,
- Be mindful of keeping those who are in a public area away from secondhand smoke.

Rules that every business operator who carries out business activities in Minato City should follow

- Business operators should improve any smoking environment on their premises by taking measures such as relocating or removing ash trays and securing smoking spaces, in order to prevent people in outdoor public areas from inhaling secondhand smoke.
- Business operators should make an effort to have those who are involved in their business activities, including employees and business partners, follow rules ① to ③.
