

Azabu Course

A course of historical and traditional Azabu sights

Time required **2.2** hours Travel time **32** minutes Total travel distance **2.3** km

1 Patio-Juban and Statue of Kimi-chan

Duration **10** minutes

Statue of a girl watching over Azabu-Juban

There is a statue of a girl in the square 'Patio-Juban', called 'Kimi-chan' who was the model of a children's song 'Red Shoes'. She is said to be watching over parents and children in the town.

2 Azabu-juban Shopping District

Duration **40** minutes

A joyful and relaxing town full of smiles

There are many traditional and long-established stores with more than 100 years of history, yet it is also an international shopping district. It exudes an atmosphere of nostalgia. With the cooperation of the 12 embassies, 'smile monuments' created based on the theme of "endearing smiles" are scattered around the town. You can also explore the arts in this town.

3 Roppongi Keyakizaka Street

Duration **15** minutes

An excellent place to appreciate the changing seasons

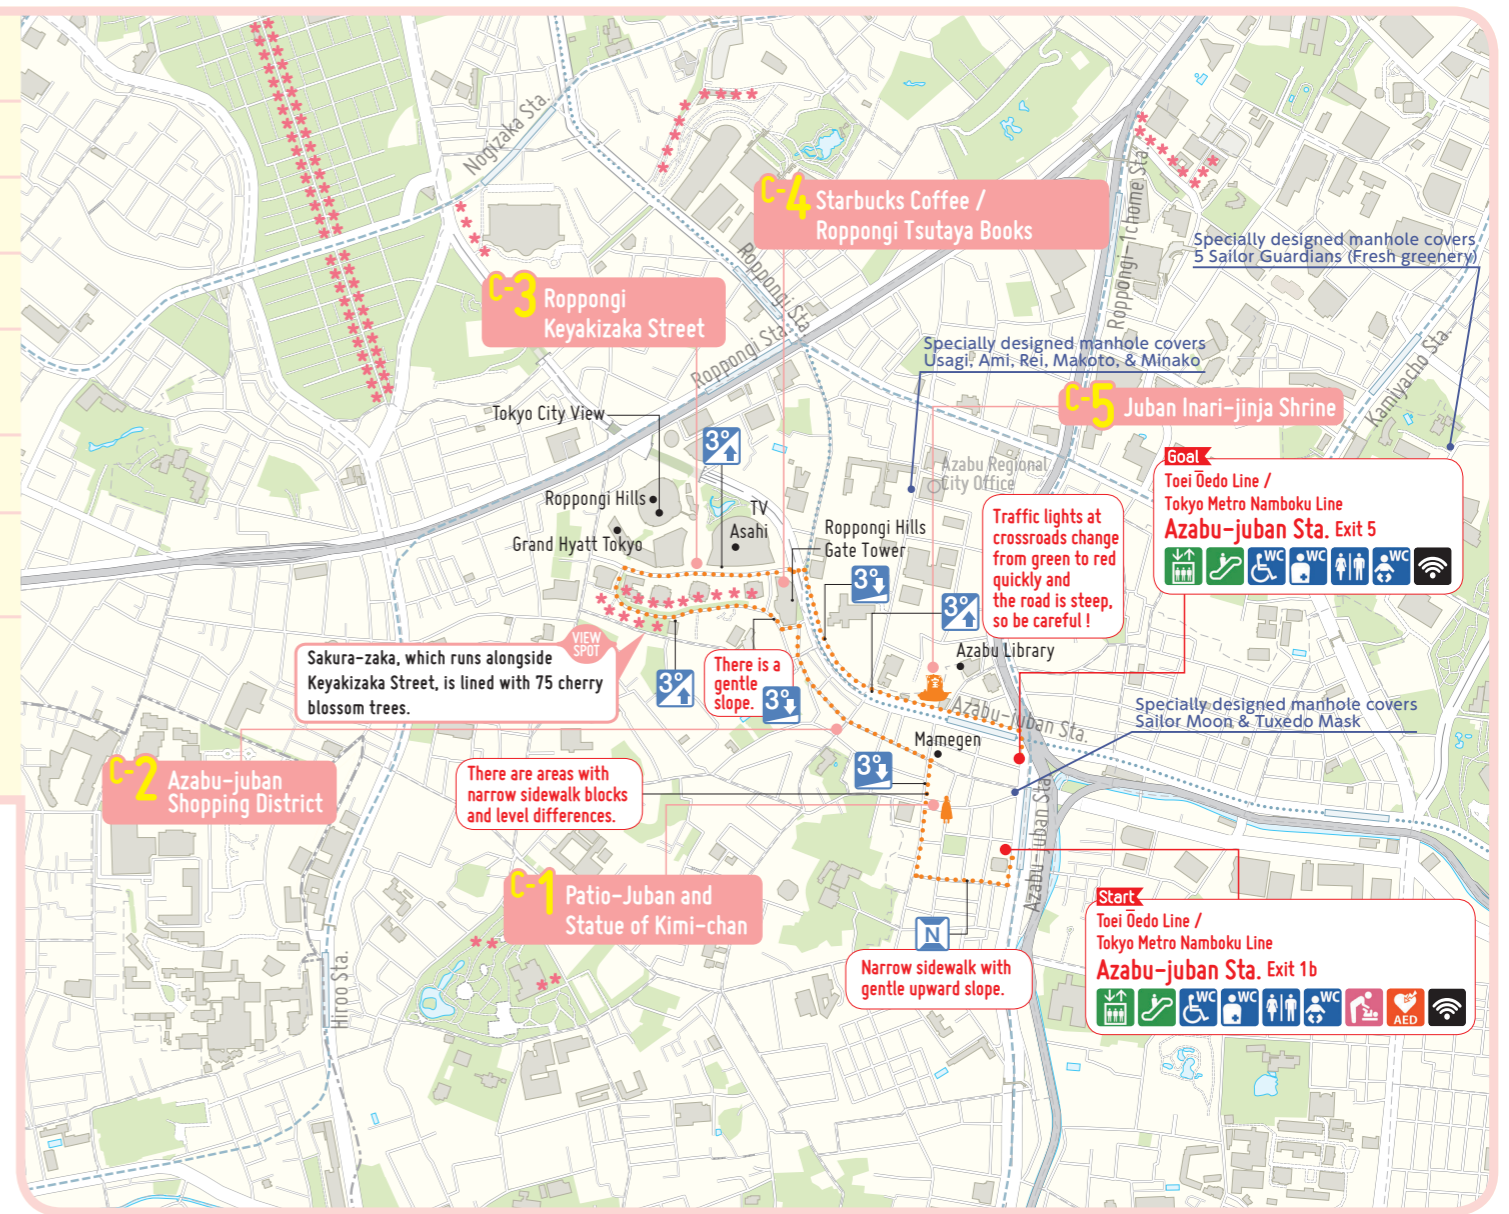

The approximately 400m long main street of Roppongi Hills. The gently sloped road is lined with zelkova and flowerbeds, offering changing scenery with each season. A popular place to walk and take in the changing seasons, the street is also decorated with enchanting lights in winter.

Course Feature
Slope is relatively gentle on the route, but around it, there is a steep slope.
