## K-1 Odaiba Marine Park

Duration 30 minutes

Enjoy night views and sunsets that dip into the skyscrapers  
You can enjoy marine sports and leisure at the park facing Tokyo Bay. It is the best tourist spot in Tokyo with the developed promenades, Statue of Liberty and maritime bus station. Your mind will be healed by the beautiful sunset and night scenery of skyscrapers looking out from the artificial sand beach, Odaiba Beach, that stretches for about 800m.

At the Marine House adjacent to Odaiba Marine park, you can rest from the terrace while looking at Rainbow Bridge.

## K-2 DECKS Tokyo Beach

Duration 30 minutes

Odaiba's leading entertainment spot  
Large commercial facilities of Odaiba with a ship as a motif. There are many fashion and miscellaneous goods stores, and restaurants on both the seaside mall on the sea side and island mall on the Yurikamome side. There are also entertainment facilities including Madame Tussauds Tokyo and Legoland® Discovery Center Tokyo.
