Notes for completing the form

- 1 Do not use an erasable ballpoint pen or pencil to fill in the form.
- 2 The applicant (parent/guardian) box must be signed.
- 3 Write the address that you are registered for (if the address on your residence registration is different from your current address, please write your current address.)
- 4 In the Family status box, write the names of all family members and relatives living with you in the same household. Include anyone living alone for work or spouse living separately who shares household expenses with you.
- 5 You will be notified by post of the results of the review, but please keep a copy of your application.
- 6 As cash payments are not possible, please provide your bank account for transfer. Please make sure you write the name of the account correctly, and enter the details carefully, as any mistake may result in late payments.
- 7 If you wish to designate a Japan Post Bank account, check the dedicated branch, branch number and account number for transfers, found in the bank use only box at the bottom of your passbook page. Visit a Japan Post bank branch for further details.
- 8 If your child's school is not yet confirmed, or if the School Affairs Section is unable to confirm the school, the transfer may be delayed. In addition, you may be asked to attach a letter of acceptance or other documents to confirm enrollment in an elementary school.
- 9 If you wish to continue to receive assistance with school expenses after your child begins elementary school in April 2025, be sure not to forget to apply for FY2025 school expenses assistance after your child is enrolled.
- 10 Please be aware that depending on your household situation and income amount for 2024, the results of this review may differ from the review conducted when applying for FY2025 school expenses assistance after enrollment.
- 11 Please contact us in the following cases:
 - If you relocate (or plan to relocate) from Minato City, or if there has been a change in your application status (marriage, divorce, change of address, etc.).
 - If you decide to enroll your child in an international school or other institution, which are not recognized as schools as defined by Article 1 of the School Education Act, after submitting your application.
 - If there are any other changes in your application details.

Required documents

- 1 If you were not a registered resident of Minato City on January 1, 2024, please submit one of the following documents (a copy is acceptable):
 - (1) A copy of your final return for 2023 (the document should bear a stamp of receipt from a tax office or have a notification of receipt for electronic filing attached)
 - (2) A certificate of imposition (or exclusion from) residence tax for FY2024 (noting dependents, gross income, etc.) from your previous address. The FY2024 certificate is issued by the municipality you lived in as of January 1, 2024.
 - (3) If you were working overseas during 2023 and are therefore not obliged to file a declaration, separate documents are required. Please contact us using the details below.

* To submit additional documents after application, in addition to mailing or bringing them to City Hall, you may use the LoGo Form.
For more information, please check the QR code on the right. (Japanese only)

- 2 If the family structure described in your application differs from that of your residence registration, we may need to verify your household status. In this case, we may ask you to write a statement or submit extra verification documents as required.
