K-1 Odaiba Marine Park

Enjoy night views and sunsets that dip into the skyscrapers

You can enjoy marine sports and leisure at the park facing Tokyo Bay. It is the best tourist spot in Tokyo with the developed promenades, Statue of Liberty and maritime bus station. Your mind will be healed by the beautiful sunset and night scenery of skyscrapers looking out from the artificial sand beach, Odaiba Beach, that stretches for about 800m.

At the Marine House adjacent to Odaiba-Marine park, you can rest from the terrace while looking at Rainbow Bridge.
