about 710m | about 12 minutes
- L-5** Seavans Amall  
about 710m | about 12 minutes
- Goal** JR / Tokyo Monorail Haneda Airport Line  
**Hamamatsucho Sta. Kanasugi-bashi Exit**

**Course Feature**  
There is a large hill between Takeshiba Passenger Ship Terminal and Hi-NODE, but overall the route is relatively flat.

### L-1 Tokyo Port City Takeshiba

Duration **40** minutes

**POINT!**  
An elevator located indoors provides access to Skip Terrace.

A modern urban terrace reminiscent of terraced rice fields

Tokyo Port City is a smart-city complex that incorporates the latest technologies. Skip Terrace, located on the 2nd to 6th floors of the office tower, features "New Eight Views of Takeshiba." The facility strives to create lush environments and share biodiversity initiatives.

☎ 03-6848-1094  
🕒 7:00~23:00 Admission: Free

Icons: Wheelchair, Stroller, Baby carriage, AED, P, etc.

### L-2 WATERS takeshiba

Duration **50** minutes

Tokyo's waterfront is just 6 minutes from Hamamatsucho Station

A complex developed by JR-East, including hotels, theaters, shopping facilities and offices, that opened in October 2020. Due to its central location by the sea, it is a popular place to relax without needing to leave the city.

Differs by facility. For details, see the WATERS Takeshiba website.

Icons: Wheelchair, Stroller, Baby carriage, AED, P, etc.

### L-3 Takeshiba Passenger Ship Terminal

Duration **15** minutes

A popular spot to view the sun set, with numerous benches lining the deck

Takeshiba Passenger Ship Terminal is a gateway to the Izu and Ogasawara Islands. Summer pleasure cruises also embark from the port, which is used by approximately 1 million passengers every year.

☎ 03-3432-8081  
🕒 7:00~22:00 Admission: Free

Icons: Wheelchair, Stroller, Baby carriage, AED, P, etc.

### L-4 Hi-NODE TOKYO HINODE PIER

Duration **20** minutes

An elegant restaurant with views of Tokyo Bay

The Hi-NODE complex includes an elegant cafe, terrace-side barbecue and open lawns. Water buses and bay cruises also embark from the pier, for those interested in boat voyages.

Differs by wharf and restaurant. For details, see the Hi-NODE TOKYO HINODE PIER website.

Icons: Wheelchair, Stroller, Baby carriage, AED, P, etc.

### L-5 Seavans Amall

Duration **15** minutes

An atrium with distinctive paired towers

Located between Seavans Building N and Building S, which overlook the canals, Seavans Amall includes shops, restaurants and other services. There are also many open spaces for visitors to sit and relax. Amall is covered with a glass-dome ceiling to let in light, creating a green and open atmosphere.

**POINT!**  
The Amall food space is a perfect area to relax.

☎ 03-5440-6319  
🕒 7:00~23:00 Admission: Free

Icons: Wheelchair, Stroller, Baby carriage, AED, P, etc.

**Break**  
The facility includes stores (Islands Shop, Shop Takeshiba), a cafe (Harbor), and Shichitou Credit Association (ATM).
