

●Fares, etc.

100 yen per ride for those of elementary school age or older.

- When transferring routes, passengers must pay 100 yen for each route.
- Transportation IC cards may be used (but we do not sell these cards on the buses).

Free for preschool children (Free for up to two accompanying passengers who are school age or older).

*However, a fare must be paid by:

- (1) Unaccompanied preschool children
- (2) The third or more accompanying passenger who is school age or older.

Minato City Community Bus tickets may be used.

- Minato City-only free bus tickets are available for senior residents in the city.
(For details, contact the Health and Welfare Subsection, Residents Support Section of each Regional City Office.)
- Tokyo Metropolitan silver passes may not be used.

Discount commuter passes are also available.

- For each route; 4,200 yen for one month/11,970 yen for three months *Commuter passes may be reserved on the bus and received on a later day.

One-day passes that can be used for both the Odaiba Rainbow Bus and Chii Bus are available (500 yen per pass).

- They are sold on the buses only on Saturdays, Sundays, National holidays, August 13 to 15, and December 29 to January 3.
- They may be used for all the Odaiba Rainbow Bus routes and Chii Bus routes.

One-day transfer tickets, valid between Tamachi Station East Gate (Tamachi route) and Minato Park Shibaura, are available.

- For passengers using the Tamachi route, a one-day transfer ticket, valid from Tamachi Station East Gate to Minato Park Shibaura, is issued at Tamachi Station East Gate.
- When returning from Minato Park Shibaura, a one-day transfer ticket, valid for the Tamachi route, is issued at Tamachi Station East Gate.

●Vehicles

- Capacity: 56 passengers (26 seating and 30 standing positions) on mid-sized buses,
35 passengers (11 seating and 24 standing positions) on small-sized buses.
- Wheelchairs: Mid-sized buses can accommodate two wheelchairs,
Small-sized buses can accommodate one wheelchair.
- All buses are low-floor vehicles.

●Chii Bus requests of passengers

- All the seats on Chii Buses are priority seats. We ask passengers to give their seats to those who need them, such as the elderly, disabled persons or pregnant women.
- Passengers can board buses only at bus stops, and cannot, for example, board just after the bus has left a bus stop and is waiting at a traffic light.
- Passengers should not rush onto the bus, as this may cause accidents or injuries.
- Pets are not permitted on the bus, except for service dogs, hearing dogs and guide dogs.
- Loading/unloading wheelchair passengers may take time. We ask for passengers' understanding and cooperation.
- Handle-type wheelchairs are not permitted on the bus for safety reasons.
- Passengers must prepare small change before getting on the bus. Bills of 2,000 yen or more will not be accepted.
- Passengers should set their mobile phones to silent mode and refrain from talking on the phone while on the bus.
- Passengers should remain seated until the bus has come to a complete stop, to prevent accidents.
- Smoking is not permitted at bus stops or on the bus.
